

CANS Projects

CANS Members consistently rank projects and tenders as the most important program CANS offers.

What is CANSnet?

- **Open Tenders** – List of projects currently open for bidding.
- **Inventory** – Archive of Current/Closed Projects.
- **Bid Results and Awards** – Up-to-date results and awards once a project closes.
- **Pipeline** – List of potential or upcoming construction projects.

CANSnet

CANSnet is our custom tender library, built with members in mind. CANSnet makes it easy to find the most current, upcoming and historical tendering information, available 24/7.

CANS Tender Library

Use CANS Tender Library to sort through projects from across Atlantic Canada. CANS sources projects from federal and provincial sites as well as private tenders. Our team proactively manages these tenders; once a project closes, we follow up to get bid results and awards. Prospect our Pipeline for leads before the tendering phase. CANS goes through municipal minutes, newspapers and building permit reports to gather the most current information.

CANS Construction Reports

CANS Construction Reports is a weekly email of Open Tenders, Bid Results and Awards and Pipeline information. Every Friday, subscribers will be emailed these reports directly.

Business Centre and Meeting Space

Take advantage of our business centre and meeting space, located conveniently in Burnside (Dartmouth, NS). The offices are fully equipped with desktop computers, wireless printer and free wifi. You also have

access to three private meeting rooms, along with an open area to host team meetings.

Commissioner of Oaths

CANS has Commissioners of Oaths on staff to sign Statutory Declarations during business hours.

(This service is FREE for CANS Members!)

CCDC/CCA Documents

CCDC documents are an industry standard for their fairness and balance for all parties involved in a construction project. CCA saves time and money with its standard contract documents that are up-to-date, easy to understand and familiar to all parties.

(Plus, CANS Members get 30% off CCDC/CCA Documents and Seals!)

CANS Printing Services

CANS printing services can help your business succeed, become more effective and efficient and save you time and money.

- Print or scan full-size drawings to scale
- Our wide format printing software allows us to print your documents with the highest level of quality
- Prints and copies are fully lightfast, meaning they won't fade in colour from exposure to light
- Our printing services are faster, easier to use and more cost-effective than ever
- No setup fees and no minimum orders
- Guaranteed 4-hour turnaround time (same business day return!)

Printing Pricing Guide

Are you spending thousands of dollars a year in set-up fees and printing costs? Are you dealing with printers who don't understand your needs? CANS can help!

		Members	Non-Members
Black & White	1 - 49 sq. ft.	\$0.30	\$0.35
	50 - 99 sq. ft.	\$0.22	\$0.25
	100+ sq. ft.	\$0.18	\$0.21
Colour	1 - 49 sq. ft.	\$1.28	\$1.47
	50 - 99 sq. ft.	\$1.17	\$1.34
	100+ sq. ft.	\$1.06	\$1.22
