

# CANS Gold Seal Award of Excellence Scholarship

Sanchari De

Construction Management Technology  
Nova Scotia Community College,  
Ivany Campus - Class of 2021

*"This award is a huge achievement and I believe that this will take me a long way. I will work harder to achieve my academic goals and this appreciation is a boost in this process. I have decided to stay in Nova Scotia and serve the community after the completion of my program. Also, I would like to encourage women from the future generation to consider the construction industry as a career option which we do not get to see very often. I have future plans to apply for the PMP certification and grow as an individual in the industry."*
