## Exploring Inclusion and Culture Shift in Skilled Trades

Being an ally and increasing inclusion can be challenging but we know it is very important.

**Let's not do this work alone!**

**November 30th from 10-1pm**

**Halifax Forum, 6205 Almon Street, Bingo Room**

We are inviting women, men and non-binary people in skilled trades to come together with community and industry to talk, listen and learn together.

**This event is for** leaders, trainers, community and individuals both new to or responsible for inclusion work in the field of skilled trades.

Covid protocols will be followed, masks and proof of vaccination required. Please contact us if this is a challenge.

**RSVP: [shiftchange@ywcahalifax.com](mailto:shiftchange@ywcahalifax.com)**
