**CC:** Andrea Mehner (HRM), Anne Sherwood (HRM), Ashley Blissett (HRM), Avrian Dolcy (HRM), Beverly Audet (HRM), Brad Anguish (HRM), Christopher Davis (HRM), Colin Burton (HRM), David Hubley (HRM), Don Pellerine (HRM), Gordon Shupe (Wood), Hugh Morrison (HRM), Ian Guppy (Halifax Water), Jeff Spares (HRM), Josh DeYoung (Halifax Water), Myles MacNaughton (Stantec), Paolo Mont (HRM), Peter Salah (Englobe), Roddy MacIntyre (HRM), Tom Gorman (Halifax Water)

**FROM:** Edmund Surette, Manager, Transportation Infrastructure Management, Project Planning & Design (HRM)

**DATE:** April 7, 2022

**SUBJECT:** **HRM Quality Management Plan (QMP) – Permanent Reinstatement April 11, 2022**

Attention Contractors,

Please note that permanent reinstatement will be permitted on HRM projects (e.g., streets, sidewalks, curbs) beginning Monday April 11, 2022. However, given the current temperature trend, the HRM Quality Management Plan for cold weather will remain in effect until further notice.

HRM will continue to monitor the weather forecast and will provide an update once temperatures improve.

Regards,
