CANS EVENTS SPONSORSHIP

Get In Front Of The Construction Industry

The Construction Association of Nova Scotia (CANS) is the leading voice of the construction industry – respected by members, government, industry and the public. CANS represents more than 780 large and small companies throughout Atlantic Canada. Our members build, renovate and restore non-residential buildings, roads, bridges and other engineering projects.

Since our inception in 1862, CANS has provided unparalleled service to members in the areas of projects and documents, industry education, advocacy, events and networking.

By sponsoring CANS events, your organization will be exposed to CANS member companies and stakeholders, allowing you to promote your initiatives and services directly to the construction industry. As a CANS sponsor, your company will receive recognition in a variety of formats, depending on your sponsorship level.

From sponsorship packages to individual event sponsorship, we can work together to ensure your company receives the right exposure in front of the right audience.
